

About Rusty

Rusty Johnson was born in Madison, Wisconsin during the time his father was stationed in the United States Air Force. After his father's discharge, his family moved back home to Franklin, Indiana. Rusty was raised in Johnson County and graduated from Edinburg High School in 1983.

Rusty served 9 years in the United States Army. While on maneuvers, he was bit in the back by a coral snake, which resulted in 29 surgeries. As a Disabled Army Veteran, Rusty has helped over 800 Veterans get their VA disability approvals and Social Security. His motto is "People Helping People" and has been his focus his entire adult life. As your US Representative, he will work tirelessly for ALL people in the 7th District regardless of race, religion, gender, sexual orientation or disability.

About Bucky

Bucky, a Golden Retriever, was bred and trained by America's Vet Dogs in Smithtown, NY. His training started when he was just 7 weeks old. He completed his training before his 2nd birthday. Bucky was united with Rusty in August 2014 and is now almost 9 years old. He opens doors and windows as well as the refrigerator, where he can retrieve bottled water or soft drink!

He can find the car in the parking lot. Like most Veteran service dogs, Bucky was trained to assist in retrieving and helping with those suffering with disabilities, PTSD and panic attacks.
